## ANNEXURE TO NOTICE

Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 is enclosed herewith and Additional information on Directors recommended for re-appointment / Remuneration pursuant to Regulation 36(3) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and under Secretarial Standard on General Meeting (SS-2) given as an annexure to the notice.

### Item No.3

Mr. Raghu Raman, aged 67, was initially appointed as an additional whole-time director on November 14, 2023, for a five-year term concluding on November 13, 2028, following a recommendation from the Nomination & Remuneration Committee. Subsequently, the Board of Directors, based on the Committee's advice, re-designated Mr. Raghu Raman as the Managing Director of the Company, effective January 1, 2024, till November 13, 2028.

His remuneration was initially set at Rs. 1,02,00,000/- per annum for the period spanning November 14, 2023, to November 13, 2026. This remuneration package received shareholder approval via postal ballot on February 12, 2024, in accordance with the provisions of the Companies Act, 2013, specifically Section II of Part II of Schedule V, due to insufficient profits. However, an ex-gratia payment to the Managing Director during the financial year 2025-26 was projected to exceed the approved remuneration limit. Consequently, shareholder approval was secured through a postal ballot dated February 21, 2026, prior to this payment. For the remaining two years of his five-year term, from November 14, 2026, to November 13, 2028, Mr. Raghu Raman's (DIN: 00181743) remuneration has been increased, subject to a maximum annual limit of Rs.1,45,00,000/- (Rupees One Crore Forty-Five Lakhs Only).

In adherence to Sections 196, 197, and 203 of the Companies Act, 2013, read in conjunction with Section II of Part II of Schedule V of the Companies Act, 2013, member consent is requisite for remuneration payments. Therefore, the Board proposes this resolution for member approval by way of a special resolution for the period from November 14, 2026, to November 13, 2028.

A comprehensive resume of Mr. Raghu Raman, detailing his expertise in specific functional areas, his directorships, committee memberships/chairmanships, and shareholding, as mandated by the Listing Regulations, is provided elsewhere within this notice.

Mr. Raghu Raman and his relatives may be deemed to be concerned or interested in the said resolution.

### Item No.4

Mr. Ramesh Raman, aged 68, was initially appointed as an additional whole-time director on November 14, 2023, for a five-year term, as recommended by the Nomination & Remuneration Committee. Subsequently, effective January 1, 2024, he was re-designated as the Executive Director (ED) by the Board, also upon the recommendation of the Nomination and Remuneration Committee. His remuneration was initially set at Rs.82,00,000/- per annum for the period from November 14, 2023, to November 13, 2026. A proposal has now been put forth to increase his remuneration for the remaining term to a maximum of Rs.1,10,00,000/- per annum.

## MIL INDUSTRIES LIMITED

---

In accordance with Sections 196, 197, and 203 of the Companies Act, 2013, read with Section II of Part II of Schedule V of the Companies Act, 2013, member consent is required for remuneration payments in instances of insufficient or no profit. Consequently, the Board recommends this resolution for member approval via a special resolution.

A comprehensive resume of Mr. Ramesh Raman, detailing his expertise, directorships, committee memberships/chairmanships, and shareholding, as mandated by Listing Regulations, is appended as Annexure I to this notice. Mr. Raghu Raman, Mr. Ramesh Raman and their respective relatives may be considered interested parties in this resolution. No other Directors or Key Managerial Personnel of the Company, nor their relatives, have any interest in this Resolution.

The Board recommends special resolution for approval by the Members. Mr. Ramesh Raman and his relatives may be deemed to be concerned or interested in the said resolution.

### III. Other information

#### (1) Reason for inadequate profits Despite Excellent Record Performance:

If a company has adequate profits, the total and individual remuneration paid to the Executive Directors is capped as a percentage of net profits under Section 198 of the Companies Act, 2013: Overall Limit: Maximum 11% of net profits for all directors combined (including Executive Directors). In Case of Inadequate Profits, the company is required to get Shareholders approval via Special Resolution as specified in Schedule V. As already stated above, the company has achieved an all-time record profit before tax of Rs. 11.02 crore which is 139% higher than the previous year.

Being a capital equipment industry, company's performance is directly dependent on implementation of grass root chemical and fertilizer projects. Further being a specialized niche business, the business volumes are limited. There has been no loss in the last several years and profitability is steadily increasing.

#### (2) Steps taken or proposed to be taken for Improvement

Efforts are continuing to bring down the operational overheads by improving productivity, cutting costs & upgrading the factory and the R & D. Efforts are also on to identify related and new areas to diversify the business.

#### (3) Expected increase in productivity and profits in measurable terms:

With the improvement already visible in the productivity of the Company, the Company expects to improve its sales turnover during the current year 2026-27 to about Rs.50 to 55 Crores and possibly more and the profitability is also likely to be more or less maintained in line with the previous financial year. However, considering the continuing unrest in the Global markets, whereby higher input costs are anticipated which could impact the profitability for the current financial year.

### **Item No. 5 – Continuation of Directorship of Mr. Sekhar Ramani (DIN: 00610220) as Non-Executive Independent Director upon attaining the age of 75 years**

Mr. Sekhar Ramani (DIN: 00610220), aged about 74 years, was appointed as an Additional Independent Director of the Company by the Board of Directors at its meeting held on November 14, 2023, based on the recommendation of the Nomination & Remuneration Committee. His appointment as a Non-Executive Independent Director for a first term of five years was subsequently approved by the Members through Postal Ballot Notice dated February 12, 2024.

Mr. Sekhar Ramani is a graduate in Chemical Engineering from the University of Madras and is a professional chemical engineer having over 45 years of experience as an entrepreneur in technology development, chemical processing and fabrication, as well as training, human resources and administration in India and abroad. He is a member of several professional societies in India and abroad and is presently the Managing Director of PSI Engineering Systems Private Limited, Chennai.

Mr. Sekhar Ramani has enrolled himself in the databank maintained by the Indian Institute of Corporate Affairs (IICA). The Company has received the requisite notice from a Member under Section 160 of the Companies Act, 2013, proposing his candidature for the office of Independent Director.

Mr. Sekhar Ramani will attain the age of 75 years on May 25, 2027. Pursuant to Regulation 17(1A) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, no listed entity shall appoint or continue the directorship of a Non-Executive Director who has attained the age of 75 years unless a special resolution is passed to that effect. Accordingly, approval of the Members by way of Special Resolution is being sought for continuation of Mr. Ramani as a Non-Executive Independent Director of the Company beyond the age of 75 years, until the expiry of his existing tenure on November 13, 2028.

The Nomination and Remuneration Committee (NRC), on the basis of a comprehensive performance evaluation, and the Board of Directors have reviewed his contribution, skills, and professional background. Considering her immense value-addition, high institutional commitment, and active participation during his tenure, both the NRC and the Board strongly recommend for his continuation after completion of 75 years of age by way of a Special Resolution.

The NRC and Board is of the opinion that the continued association of Mr. Ramani would be beneficial to the Company, considering his extensive experience of over four decades in chemical engineering, technology development, chemical processing and fabrication, entrepreneurship, training, human resources and administration. His experience and professional expertise would continue to contribute meaningfully to the deliberations of the Board and its Committees.

In the opinion of the Board, Mr. Ramani fulfils the conditions specified under the Companies Act, 2013 and the SEBI Listing Regulations for continuation as an Independent Director and is independent of the Management. He is not disqualified from being appointed or continuing as a Director under the provisions of the Companies Act, 2013. He has also confirmed that he is not aware of any circumstance or situation which exists or may be reasonably anticipated to impair or impact his ability to discharge his duties as an Independent Director of the Company.

Mr. Sekhar Ramani shall be entitled to receive remuneration by way of sitting fees, as approved by the Board of Directors, in accordance with the Company's remuneration policy applicable to Independent Directors.

The requisite details of Mr. Sekhar Ramani, including his brief profile, qualifications, expertise, experience, directorships, committee positions and other disclosures as required under Regulation 36(3) of the SEBI Listing Regulations and Secretarial Standard – 2 (SS-2), are provided in **Annexure-I** to this Notice. He is a member of Audit Committee and Chairman of Nomination and Remuneration Committee in the company.

Except Mr. Sekhar Ramani, none of the other Directors, Key Managerial Personnel of the Company or their respective relatives is concerned or interested, financially or otherwise, in the proposed Special Resolution.

The Board of Directors recommends the Special Resolution set out at **Item No. 5** for approval of the Members.

### **Item No. 6**

Ms. Aakansha Anand (DIN: 10425115) was appointed as an Independent Director of the Company for a first term of 3 consecutive years effective from December 29, 2023, which was subsequently ratified and approved by the shareholders through a postal ballot on February 12, 2024. Her current tenure is set to expire on December 28, 2026.

The Nomination and Remuneration Committee (NRC), on the basis of a comprehensive performance evaluation, and the Board of Directors have reviewed her contribution, skills, and professional background. Considering her immense value-addition, high institutional commitment, and active participation during her initial tenure, both the NRC and the Board strongly recommend her re-appointment for a second term by way of a Special Resolution.

The Company has received a notice in writing under Section 160 of the Act from a member proposing her candidature for the office of Director. Ms. Aakansha Anand has provided her formal consent to act as a director along with a declaration stating that she is not disqualified under Section 164 of the Act and fulfills the criteria of independence specified under Section 149(6) of the Act and Regulation 16(1)(b) of the SEBI Listing Regulations. She is a member of Audit Committee and Nomination and Remuneration Committee in the company.

In the opinion of the NRC and Board, Ms. Aakansha Anand fulfils the strict statutory and listing criteria required for her re-appointment and possesses the appropriate skills, experience, and integrity. She is entirely independent of the management.

Copy of the draft letter of appointment, performance evaluation summaries, and other relevant documents are available for inspection by the members at the Registered Office of the Company during corporate business hours on any working day.

Save and except Ms. Aakansha Anand, none of the other Directors, Key Managerial Personnel (KMP) of the Company, or their relatives are concerned or interested, financially or otherwise, in this resolution. The Board recommends the Special Resolution set out in the Notice for approval by the members.

Additional information in terms of Regulation 36 (3) of SEBI (LODR) Regulations, 2015, and Secretarial Standards (SS-2) on General Meetings, are given below as **Annexure**

## MANAGEMENT DISCUSSION AND ANALYSIS REPORT

In accordance with the SEBI (LODR) Regulations, 2015, the Management Discussion and Analysis Report is as follows.

### **(a) Industry structure and developments**

The Company's products such as rubber lined steel items, rubber sheets, rubber products, hoses are supplied to core sector industries like fertilizer, metallurgical, caustic soda and therefore our growth depends on the growth of such consuming industries.

**(b) Opportunities and Threats.**

There are only limited no. of corporate players in the rubber lining and rubber products in which the company mainly operates. However, there is a huge threat from the unorganized players in the rubber lining and rubber products segment.

Though the domestic market for the company's products are limited, export market are growing significantly and the company expects growth in the export market to continue further.

**(c) Segment-wise or product-wise performance.**

The company operates in rubber lining of equipment and rubber products only.

**(d) Outlook**

The Company has consistently maintained its existing customer relationships while strategically expanding its client portfolio. Our current focus involves targeted growth within specific domestic and international markets, aiming to broaden the reach of our products and services..

**(e) Risks and concerns.**

The company has adopted comprehensive policy framework for identification, measurement and management of all risk related to market, raw materials and other inputs including the cost of raw materials and selling price of the products.

However, the demand in domestic and global markets for the company's products are coupled with volatility in raw material prices and the price competition from the unorganized players are the major concerns for the company.

**(f) Internal control systems and their adequacy.**

The Company has internal control systems commensurate with the size and nature of its business and has appointed a firm of Chartered Accountants as the Internal Auditors. The Internal Audit coverage is adequate to ensure that the assets of the company are safeguarded and protected and there is regular review by Management on policies, internal controls & procedures and also on internal audit reports.

**(g) Discussion on financial performance with respect to operational performance.**

During the financial year 2025-26, revenue from operations surged by 47% year-over-year. Consequently, Profit Before Tax (PBT) recorded significant growth, primarily driven by higher sales volumes.

**(h) Material developments in Human Resources / Industrial Relations front, including number of people employed.**

The Company regularly deposes employees to seminars and various programmes to help them to enrich their professional skills and knowledge. The company has formulated incentive schemes to employees to increase the productivity and performance. The company maintains cordial relationship with workers and employees at all levels.

## Independent Auditors' Report

To the Members of MIL Industries Limited

### Report on the standalone Financial Statements

#### Opinion

We have audited the standalone financial statements of MIL Industries Limited ("the Company"), which comprise the balance sheet as at 31st March 2026, and the statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (herein after referred to as "standalone financial statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act 2013 ("the Act"), in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2026, and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

#### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

| Key Audit Matters                                                                                                                                                                           | Response to Key Audit Matters and Conclusion                                                                                                                                                                                                                                                                                                                                                                                                       |

### **Information other than the Financial Statements and Auditors' Report thereon**

The Company's Board of Directors is responsible for the other information in the Annual Report, comprising of the Directors' Report and its annexures, but does not include the standalone financial statements and our Auditors' Report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance, conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information, and in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that if there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Responsibilities of the Management and Those Charged with Governance for Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise

from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain an audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### **Report on Other Legal and Regulatory Requirements**

### **“Annexure B” to the Independent Auditor’s Report of even date on the Standalone Financial Statements of MIL INDUSTRIES LIMITED**

#### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of **MIL INDUSTRIES LIMITED** (“the Company”) as of 31st March 2026 in conjunction with our audit of the standalone financial statements of the company for the year ended on that date.

#### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over financial reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

#### **Auditor’s Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls system over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedure selected depends on the auditor’s judgment, including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

#### **Meaning of Internal Financial Controls over Financial Reporting**

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance

of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company, (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

### **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

### **Opinion**

In our Opinion, the company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial Controls over financial reporting were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

## NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH 2025

### 1 Corporate Information

MIL Industries Limited, is a Company which is registered under the Companies Act, 1956 and is domiciled in India. The Registered Office of the Company is situated at 25A SIDCO Industrial Estate, Ambattur, Chennai 600098.

The Company is engaged in the business of anti corrosive lining of steel equipment and pipes & fittings using rubber. The Company's factory is situated at Ambattur in the state of Tamil Nadu.

### 2 Basis of preparation on Financial Statements

These Financial Statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under section 133 of the Companies Act, 2013 ("the Act"), read with the Companies (Indian Accounting Standards) Rules, 2015 and other relevant provisions of the Act. The Company adopted Ind AS from 1st April 2017. Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto adopted.

The Financial Statements are prepared in accordance with the historical cost convention except for certain items that are measured at fair values at the end of each reporting period, as explained in the Accounting Policies set out below. The Financial Statements are prepared on a "Going Concern" basis using accrual concept except for the Cash Flow information. Historical Cost is generally based fair value of the consideration given in exchange for goods and services.

### 3 Significant Accounting Policies

#### a) Use of Estimates

The preparation of the financial statements in conformity with the generally accepted Indian Accounting Standards (Ind AS) principles, requires the management to make estimates and assumption that affect the reported amounts of the assets and liabilities and disclosure of contingent liabilities as at the date of the financial statements and the result of operations during the reporting period. Although these estimates are based on the managements' best knowledge of current events and actions, the actual results could differ from these estimates.

#### b) Operating Cycle

All assets and liabilities have been classified as current or non current based on the Company's operating cycle and other criteria set out in Schedule III to the Companies Act 2013 and Ind AS 1. The Company has determined its operating cycle as twelve months for the purpose of current or non-current classification of assets and liabilities.

#### c) Property, Plant and Equipments

Property, Plant and equipment's are accounted for at the deemed cost which is the historical cost as per the previous GAAP.

Depreciation is provided over the remaining useful life of the assets, as per Schedule II of the Companies Act, 2013 on written down value basis in respect of other assets.

#### d) Inventories

The Inventories of raw materials, stores and spares, Finished Goods and Work-in-progress are valued at lower of cost or realisable value. The cost in respect of average cost. Cost includes all direct costs and appropriate proportion of overheads to bring the goods to the present location and condition, and duties and net of any tax credits which are eligible for refund.

## NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH 2025

### e) Foreign Currency Transactions

Foreign exchange transactions are accounted for at the exchange rates prevailing on the date of the transactions. Assets and liabilities in foreign currency are translated at the rate of exchange difference prevailing on the reporting date. Gains or losses, if any, arising therefrom are recognised in the Profit and Loss Account.

### f) Revenue Recognition

Revenue from Contracts with Customers – Ind AS 115

Revenue is recognised when, or as, control of promised goods or services is transferred to customers, at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

Revenue is measured at the fair value of consideration received or receivable, net of returns, rebates, discounts, incentives and applicable taxes collected on behalf of the government.

The Company applies the five-step model under Ind AS 115:

Identification of the contract with a customer;

Identification of performance obligations in the contract;

Determination of the transaction price;

Allocation of the transaction price to the performance obligations based on relative stand-alone selling prices; and

Recognition of revenue when or as the performance obligation is satisfied.

A performance obligation is satisfied when control of the promised good or service is transferred to the customer. Revenue is recognised either at a point in time or over time, depending on the nature of the performance obligation and the terms of the contract.

Sale of products

Revenue from sale of products is recognised at the point in time when control of the products is transferred to the customer, generally upon delivery of the products to the customer or upon acceptance by the customer, where acceptance is a substantive contractual condition.

Rendering of services

Revenue from rendering of services is recognised over time as the services are performed and the customer simultaneously receives and consumes the benefits of the services. Where the performance obligation is satisfied over time, revenue is recognised based on the measure of progress towards complete satisfaction of that performance obligation.

Variable consideration

Where contracts contain variable consideration such as discounts, rebates, incentives, refunds or other similar items, revenue is recognised only to the extent that it is highly probable that a significant reversal of revenue will not occur when the uncertainty associated with the variable consideration is subsequently resolved.

Contract balances

A contract asset represents the Company's right to consideration in exchange for goods or services transferred to a customer where such right is conditional on something other than the passage of time.

A contract liability represents consideration received or receivable from a customer for which the Company has an obligation to transfer goods or services to the customer.

Interest income is recognised on time basis with reference to the principal outstanding and at the effective interest rate applicable (provided that it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably).

## NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH 2025

Export Incentives are treated as income in the year of export at their estimated realisable value.

### **g) Research and Development**

Research and Development expenses not resulting in tangible property/equipment are charged to Revenue.

### **h) Borrowing Costs**

Interest and other cost in connection with borrowing of funds to the extent related/ attributed to the acquisition/ construction of qualifying fixed assets are capitalized up to the date when such assets are ready for its intended use. Other borrowing costs are charged to Profit and Loss Account.

### **i) Investments**

Long Term Investments are carried at cost.

### **j) Employee Benefits**

- 1) The Company is contributing to Provident Fund for the employees and the same is remitted to Regional Provident Fund Commissioner and charged to the Statement of Profit and Loss.
- 2) The Company has a superannuation scheme for eligible employees duly recognised by the Commissioner of Income tax and the annual liability as determined by Life Insurance Corporation of India is remitted as premium and charged to Statement of Profit and Loss.
- 3) The Company has a group gratuity scheme duly recognised by the Commissioner of Income tax and the annual liability determined by the Life Insurance Corporation of India is remitted as premium and charged to the Statement of Profit and Loss as actuarially based determined on Projected Unit Credit Method as per Ind AS 19.
- 4) The Company does not have a policy for encashment of leave at the time of retirement by employees and payments are made as and when claim is admitted and charged to Revenue.

### **k) Impairment of Assets**

As at the Balance Sheet date, the carrying amount of assets is tested for impairment so as to determine:

- 1) The extent of recognition of impairment loss, if any, required or
- 2) The reversal, if any, required of impairment loss recognised in the previous periods, Where the carrying amount of an asset exceeds its recoverable amount, such excess is recognised as impairment loss and charged in the Statement of Profit and Loss Account.

### **l) Provisions and contingent liabilities**

- 1) Provision is recognised in respect of present obligation requiring settlement by outflow of resources and of which reliable estimate of the amount of obligation could be made,
- 2) Contingent liability is not recognised and is disclosed unless the possibility of outflow of resources embodying economic benefit is remote. Present obligation arising from the past events and the existence of which is subject to occurrence or non occurrence of an uncertain future event is disclosed.

### **m) Cash Flow Statement**

Cash Flows are reported using indirect method, where profit or loss before tax is adjusted for the effects of transactions of non cash nature and any deferrals or accruals of past or future cash receipts or payments. The Cash flows from Operating, investing and financing activities are segregated based on available information.

### n) Taxation

Income tax Expenses comprises of current taxes and deferred taxes

#### Current Tax

The tax currently payable is based on the taxable profit of the year. Taxable profit, differs from the profit before tax as reported in the statement of profit and loss, because of items of income or expenses that are taxable or deductible in other years and items that are never taxable or deductible. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period,

#### Deferred Tax

Deferred Tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

### O) Financial Instruments – Impairment / Expected Credit Loss

The Company recognises loss allowances for expected credit losses (ECL) on financial assets measured at amortised cost and debt instruments measured at fair value through other comprehensive income, as applicable.

ECL represents a probability-weighted estimate of credit losses, taking into account reasonable and supportable information available at the reporting date, including historical experience, current conditions and forecasts of future economic conditions. The measurement of ECL incorporates the time value of money where material. Ind AS 109 requires ECL to reflect an unbiased probability-weighted amount, the time value of money and reasonable and supportable information available at the reporting date.

#### Trade receivables

For trade receivables, the Company applies the simplified approach permitted under Ind AS 109 and recognises lifetime expected credit losses from initial recognition.

The Company determines ECL using a provision matrix based on the ageing of trade receivables, historical credit-loss experience and, where appropriate, adjustments for forward-looking information, including relevant economic conditions and specific information relating to customers.

Receivables are grouped into appropriate ageing/credit-risk categories having similar credit-risk characteristics. Historical loss rates are adjusted, where necessary, to reflect current and forward-looking information.

Ind AS 109 specifically permits/ requires the simplified lifetime-ECL approach for qualifying trade receivables."

#### Other financial assets

For financial assets other than trade receivables, the Company recognises:

12-month ECL where credit risk has not increased significantly since initial recognition; and

Lifetime ECL where there has been a significant increase in credit risk since initial recognition.

Where a financial asset is determined to be credit-impaired, the Company recognises the applicable loss allowance based on the estimated recoverable cash flows."

#### A. Financial assets

##### Initial recognition

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument.

Financial assets are initially recognised at fair value. Transaction costs that are directly attributable to the acquisition of financial assets, other than financial assets classified as fair value through profit or loss, are added to the fair value of the financial asset.

### Subsequent measurement

Financial assets are subsequently classified and measured based on:

the Company's business model for managing the financial assets; and

the contractual cash flow characteristics of the financial asset, i.e., whether the contractual cash flows represent solely payments of principal and interest (SPPI).

Based on the above assessment, financial assets are classified into the following categories:

#### (i) Financial assets measured at amortised cost

A financial asset is measured at amortised cost when:

it is held within a business model whose objective is to hold assets to collect contractual cash flows; and

the contractual terms give rise, on specified dates, to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Such assets are subsequently measured using the effective interest rate (EIR) method, net of impairment losses, where applicable.

Examples include trade receivables, loans, security deposits and certain other receivables.

#### (ii) Financial assets at FVOCI

A debt financial asset is measured at fair value through other comprehensive income (FVOCI) when it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets, and the contractual terms give rise to cash flows that are solely payments of principal and interest.

Changes in fair value are recognised in OCI, except for impairment gains/losses and interest income, which are recognised in profit or loss in accordance with Ind AS 109.

#### (iii) Financial assets at FVTPL

Financial assets that do not meet the criteria for measurement at amortised cost or FVOCI are measured at fair value through profit or loss (FVTPL).

Changes in fair value are recognised in the Statement of Profit and Loss.

### B. Impairment of financial assets – Expected Credit Loss

The Company recognises loss allowances for expected credit losses (ECL) on financial assets measured at amortised cost and debt instruments measured at FVOCI.

ECL represents the probability-weighted estimate of credit losses over the expected life of the financial instrument, considering reasonable and supportable information about past events, current conditions and forecasts of future economic conditions.

For financial assets other than trade receivables, the Company generally recognises:

12-month ECL where credit risk has not increased significantly since initial recognition; and

Lifetime ECL where credit risk has increased significantly since initial recognition.

#### Trade receivables

For trade receivables, the Company applies the simplified approach permitted by Ind AS 109 and recognises lifetime expected credit losses.

The Company uses a provision matrix based on historical credit loss experience, adjusted for forward-looking factors specific to the debtors and the economic environment.

### C. Financial liabilities

Financial liabilities are initially recognised at fair value, net of transaction costs directly attributable to the issue of the financial liability, except for financial liabilities classified as FVTPL.

Financial liabilities are subsequently measured at amortised cost using the effective interest rate method, except for financial liabilities designated/classified as FVTPL.

Financial liabilities at FVTPL are subsequently measured at fair value, with changes in fair value recognised in the Statement of Profit and Loss.

Examples of financial liabilities measured at amortised cost include borrowings, trade payables and other financial liabilities.

### D. Derecognition

#### Financial assets

A financial asset is derecognised when:

the contractual rights to receive cash flows from the asset expire; or

the Company transfers the rights to receive contractual cash flows and substantially all the risks and rewards of ownership of the financial asset.

#### Financial liabilities

A financial liability is derecognised when the obligation specified in the contract is discharged, cancelled or expires.

The Company's investment properties comprise land/building held for earning rental income and/or for capital appreciation. Investment property is initially measured at cost, including transaction costs. Subsequent measurement is made in accordance with the Company's accounting policy under Ind AS 40.

**Fair value**

The fair value of the investment property as at 31 March 2026 has been considered with reference to the prevailing Tamil Nadu Government guideline value/stamp-duty value applicable to the respective property/location.

The Company has not obtained an independent valuation report as at 31 March 2026 from a registered/qualified independent valuer. Accordingly, the fair value disclosed in these financial statements has not been supported by an independent valuation report as at the reporting date.

The Tamil Nadu Government guideline value is primarily a benchmark used for determining the value of property for registration/stamp-duty purposes and has been considered by the Company as a reference point in assessing the value of the investment property. The guideline value may not necessarily represent the market/fair value of the property as contemplated under Ind AS 40 and Ind AS 113.

Accordingly, users of the financial statements should exercise appropriate judgement in considering the disclosed fair value.

The investment property did not generate any rental income during the year. Direct operating expenses incurred in respect of the investment property during the year amounted to Rs.NIL

Ind AS 40 specifically requires disclosure of rental income and direct operating expenses relating to investment properties, including properties that did not generate rental income.

**Restrictions and contractual obligations**

There are no significant restrictions on the realisability of the investment property or the remittance of income and proceeds arising from its disposal, except as disclosed below.

As at 31 March 2026, the Company has no contractual obligations to purchase, construct or develop investment property or for repairs, maintenance or enhancements, except as disclosed below.

**Fair Value Hierarchy**

The Company uses the following hierarchy for determining the fair value of the financial assets and liabilities:

Level 1 - Quoted prices in the market for financial assets or liabilities

Level 2 - Other techniques for which all inputs which have significant effect on the recorded fair value observable, either directly or indirectly.

Level 3 - This technique uses inputs that have a significant effect on the recorded fair value that are not based on observable market data.

**Expected Credit Loss**

The Company assesses impairment of financial assets using the expected credit loss model prescribed under Ind AS 109. For trade receivables, the Company uses the simplified approach and recognises lifetime ECL. The ECL is determined using a provision matrix based primarily on the ageing of receivables, historical default/loss experience and management's assessment of forward-looking factors.

**NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH 2026**

The provision matrix is reviewed periodically and historical loss rates are adjusted, where necessary, to reflect current and expected future economic conditions and customer-specific circumstances.

The Company considers a trade receivable to be credit-impaired when there is objective evidence indicating that the customer may not be able to meet its contractual payment obligations, including significant financial difficulty, prolonged default, or other indicators of impairment.

**d) Sensitivity Analysis**

Significant actuarial assumptions for determination of defined benefit obligation are discount rate and expected salary increase. The sensitivity analysis below has been determined based on reasonable possible changes of the respective assumptions during at the end of the reported:

If the discount rate is 100 basis points higher or lower, the defined benefit obligation would

|             |               |        |
|-------------|---------------|--------|
| increase by | <b>(3.71)</b> | (3.43) |
| decrease by | <b>4.17</b>   | 3.85   |

If the expected salary increases/decreases by 100 basis points, the defined benefit obligation would

|             |               |        |
|-------------|---------------|--------|
| increase by | <b>3.97</b>   | 3.67   |
| decrease by | <b>(3.58)</b> | (3.33) |

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligation as it is unlikely that the range in assumptions would occur in isolation of one another as some of the assumptions may be correlated.

There is no change in the methods and assumptions used in preparing the above sensitivity analysis.

- 32** The Company expects to make a contribution of Rs. 5,32,237/- to the defined benefit plan (gratuity - funded) during the next financial year.
